

# S005 - PIA POLE SURVEY, NETWORK OVERHEAD TESTING AND AUDIT

# openreach

## Introduction

This course provides learners with the knowledge and skills to safely and competently undertake S005 - PIA Pole Survey, Network Overhead Testing And Audit.

## Certification

Upon successful completion, learners will receive a certificate of accreditation for Openreach S005 - PIA Pole Survey, Network Overhead Testing And Audit.

## Accreditation

Openreach accreditation certificate by Smart Awards.

## Delivery

To deliver Openreach accreditations, training providers must have a Lead Assessor or Assessor who is formally approved and certified by Openreach. The approved Lead Assessor or Assessor must be registered on the Network Operative Passport Scheme (NOPS), with their relevant Openreach certification uploaded, before they can assess or deliver the accreditation.

Where an accreditation includes a practical assessment, the training site must be approved and signed off by Openreach before delivery can take place.

Training providers must contact Smart Awards to complete the registration process and gain approval to deliver Openreach accreditations.
